**Re: Request of Clifton Power Company on the Public Service Commission's
Jurisdiction of Electric Vehicle Charging Stations
Docket Number: 2021-210-E**

Letter Regarding Surrebuttal Testimony and Order of Witnesses

Dear Ms. Boyd:

On May 23, 2022, the Clerk's Office issued a Revised Prefile Testimony Letter providing Applicant Clifton Power Company with the opportunity to file rebuttal testimony on or before May 30, 2022 and providing the Office of Regulatory Staff and other parties of record to file surrebuttal testimony on or before June 6, 2022. As of the date of this letter, no direct testimony or rebuttal testimony has been filed with the Commission and, therefore, Duke Energy Carolinas, LLC and Duke Energy Progress, LLC (the "Companies") do not intend to file surrebuttal testimony.

The Revised Prefile Testimony Letter further instructed parties to provide the following information to the Commission on or before June 7, 2022:

1. Order of witnesses you plan to present during the Hearing;
2. Indicate whether you have any objection to taking direct and rebuttal or surrebuttal testimony together during the Hearing; and,
3. Indicate whether there is a desire to use Panels of Witnesses

Because the Companies have not filed testimony in this docket, they do not intend to present any witnesses at the June 21, 2022 hearing. Further, the Companies seek clarification as to whether the hearing currently scheduled for June 21, 2022 will remain on the schedule in spite of no party having filed testimony. *See* S.C. Code Ann. Regs. 103-845(C) ("In proceedings involving utilities, the Commission shall require any party and the Office of Regulatory Staff to file copies of testimony and exhibits and serve them on all other parties of record within a specified

time in advance of the hearing.”). If the Commission moves forward with the hearing, counsel for the Companies will appear at the hearing.

By copy of this letter, I am serving all parties of record via electronic mail.

Sincerely,

Katie M. Brown
